

## Chest Harnesses For Ropewalker Systems

- ✓ These chest harnesses are designed to be used with ropewalker systems such as the OR1 Double Bungie, the Mitchell and the 3-knot systems.

### OR1 "H" Chest Harness

F09 \$22.50

- ✓ Designed to accommodate OR1 Stealth and PMI Chest plates.
- ✓ More comfortable and supportive than the "V" design commonly seen.
- ✓ A 2" wide buckle allows quick & easy adjustments.
- ✓ The doubled 2" webbing across the back provides support and comfort.
- ✓ Let us know what kind of chest plate you use: OR1 Stealth I or II, Blum, Friske, Gossett/Bluewater, other (provide details).
- ✓ (See page 2 for Chest Harness sizes.)

### OR1 Hammock w/ Soft Loops

F19 \$47.00

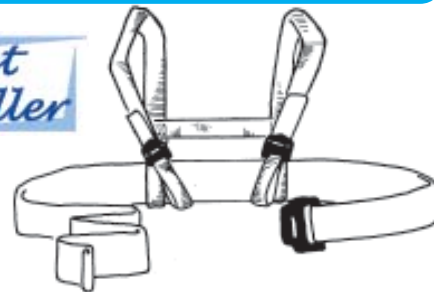

- ✓ This incredibly comfortable harness feels like a hammock across your back.
- ✓ The 5" wide padded panel is bordered with 1" tubular webbing.
- ✓ Contoured to curve under the armpits.
- ✓ Clip a carabiner or Maillon Rapide into the 2 soft attachment points.
- ✓ Perfect for climbing with Knots.
- ✓ (See page 2 for Hammock sizes.)

### OR1 Hammock for Plates

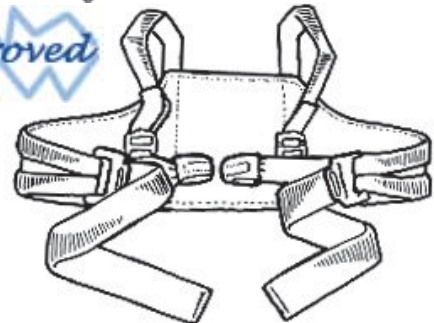

F16 \$42.00

- ✓ The ultimate in comfort when using a chest plate and roller.
- ✓ A great upgrade for your Double Bungie system (the plate and roller are extra, small buckles are attached to the plate - not the hammock).
- ✓ More support than the "H" harness, the hammock actually cradles the climber.
- ✓ (See page 2 for Hammock sizes.)
