For the Carbide Caver

When you can't carry enough batteries for your exploration needs, you need a carbide light!

Petzl Explorer

Explorer (E70C)

Combination of 4 excellent products: A red Ecrin Roc (A01R) adjustable helmet, the Duo head lamp (E63), the Aceto light (E18) and the Ariane Generator (E50).

Item #	Description	Price
E70L14	Petzl Explorer & Duo 14 (does not include E50 generator)	\$249.95
E18	Petzl Aceto Light Assembly	\$79.95
E50	Petzl Ariane Generator	\$85.95
Explorer Parts		
E18300	Aceto Mounting Bracket	\$3.60
E01100	Acetylene Jet (14 liter)	\$10.55
E01300	Acetylene Jet (21 liter)	\$12.55
E18100	Striker Unit with Spring	\$15.50
Complete parts list available - Call us for availability & pricing		

Ecrin ROC Helmet (A01R)

Aceto (E18)

Acetylene light with piezo lighting system. Supplied with 2 acetylene jets: low (14L) and high (21L) delivery. Piezo electric striker for lighting. Easily removed for cleaning or when using electric alone.

Duo 3 Headlamp (E63)

Ariane Generator (E50)

Acetylene generator constructed of tough nylon - lightweight yet tough! Includes gas tube. Burns for approximately 6 hours on 300g (10.5oz) of carbide

Acetylene Jets (E01100, E01300)

Piezo Striker (E18100)

Mounting Bracket (E18300)

Light Assembly (E18)

OR1 now carries carbide! We can't ship it, so it's "cash and carry" only.

Helmet Clips and Light Brackets

Petzl Crochlamp L

E04405

\$11.95

- ✓ Moldable and bendable helmet clips for helmets with a thick wall such as a Joe Brown.
- ✓ Set of 4 in each package.

Petzl Crochlamp S

E04350

\$3.95

- ✓ Set of 4 helmet clips to keep the headlamp elastic band in place on most helmets.

Swivel Mounting Bracket

2907

\$4.00

- ✓ Helmet light mounting bracket accepts a spade mount attachment.
- ✓ Allows the user to adjust the direction of the beam.
- ✓ Great for mounting your TAGLite!

Petzl Bouchons

A01870

\$7.95

- ✓ These clear, plastic pieces snap securely into the vent holes to reduce the ventilation and increase comfort in wet or cold conditions.
- ✓ Set of 4 in each package.
